## **Gentle Reminders**

#### Check it out...

Its spring, theirs many ways to have fun and discover nature...

"If you look at the world from the scale of a child, you don't need a lot of natural space. People think, I need a forest. No, sometimes all you need is three trees..."

"For a child to understand something he must construct it for himself, he must reinvent it ... if future individuals are to be formed who are capable of creativity and not simply repetition."
