- Please try and keep snack items limited to two. With a small time to eat any more takes the little ones sometime to eat.

**January Sledding has been  
rescheduled to Wednesday,  
January 18th!!**

## Why we love to play at Preschool!

Play is the business of childhood, allowing your child free rein to experiment with the world around him and the emotional world inside him.

Playtime is one of the most valuable educational opportunities a child can be given. Facilitating thinking in young children and allowing them to initiate activities instead of adult-led, structured activities is essential to their growth and development.

### 6 Benefits of Play:

1. Cognitive
2. Communication
3. Creative
4. Emotional
5. Social
6. Physical

Visit [www.thegeniusofplay.org](http://www.thegeniusofplay.org) for more ideas and resources on play to keep **PLAYING** at home!
