* The Government of Alberta's current Child Care Affordability Agreement is in place until March 2027. Any changes to this funding are beyond TLC's control. Should adjustments to subsidy funding impact monthly fees, families will be informed as soon as we receive updated information.

- Monthly payments will be made through automatic withdraw from a Visa or MasterCard on the First Business day of each month.
- We will automatically reduce your monthly fee based on subsidy funding prior to processing any payment.

WITHDRAWAL POLICY

Withdrawal notice must be provided **before the first of the upcoming month** to avoid charges on the next payment date. If notice is not received before the first and the child attends any classes during the month, the full monthly fee will be charged. No partial refunds or prorated fees will be issued.

You are eligible for a full refund on your \$85 deposit if you withdrawal your child before **AUGUST 31, 2026**. After this date no refunds will be available.

AFFORDABILITY GRANT SUBSIDY INFORMATION

On January 30, Alberta's government announced a flat monthly parent fee of approximately \$15 per day for child care, taking effect on April 1, 2025, supported by the 2025/2026 Child Care Affordability Grant. To further implement the Canada-Wide Early Learning and Child Care Agreement and ensure the continued delivery of high-quality child care, Alberta is introducing three unique Affordability Funding approaches for daycare providers, preschools, and family day homes.

TLC Preschool will now receive \$100 per month for each registered child, reducing the monthly fee for families from \$185 to \$85. Families do not need to apply for this funding. It will be automatically applied to your monthly fee before any payments are processed. This funding agreement is in place until March 2026, and we are hopeful it will continue beyond that.
