MOTIVATION TO MOVE

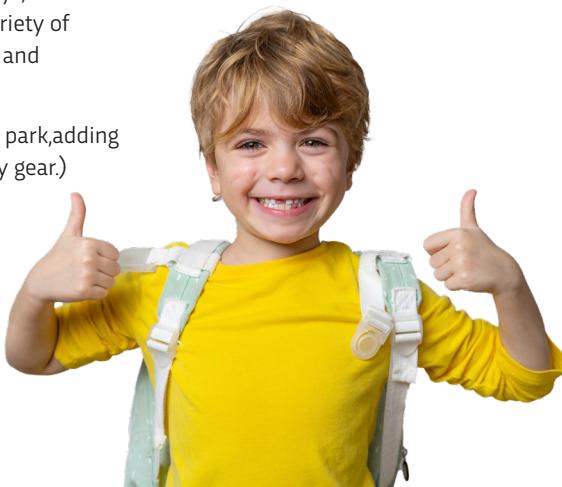

Summer at the TransAlta Tri Leisure Centre Day Camp is built for movement, friendship, and non-stop fun. Our reimagined summer camps keep kids physically active while giving them space to explore, create, and connect.

Campers make a splash three times a week with swimming on Mondays, Wednesdays, and Fridays, hit the ice for skating on Thursdays, and round out their week with a variety of activities, including high-energy field games, creative crafts, playground adventures, and the Nerf battle tournament.

On July 21, July 31, and August 21, campers will cycle, scooter, or walk together to a local park, adding a special outdoor adventure. (Campers must bring their own bike, scooter, and safety gear.)

Behind every activity is a staff team that has been thoughtfully restructured with one clear priority: building meaningful relationships with campers while ensuring a safe and positive experience. Our staff are focused on creating an environment where every child feels supported, included, and excited to come back each day.

At TLC Day Camps, kids stay active, build confidence, and make the kind of summer memories that last long after the sunscreen fades.

GALACTIC EXPLORERS 
Blast off into an out-of-this-world adventure! Campers will train like astronauts as they explore planets, dodge meteor obstacles, and complete space missions through active games and team challenges. Get ready for cosmic crafts, alien tag, and stellar teamwork as we explore the galaxy—no gravity required!

SPY KIDS ACADEMY

Calling all secret agents! Campers will solve problems, complete obstacle courses, and train on land, in water, and on ice. Through active missions and teamwork challenges, spies will learn problem-solving skills while staying on the move.

UNDER THE SEA

Dive into an ocean of fun! Campers will splash into underwater-themed games, creative movement, and aquatic adventures (on land!). From shark tags to sea creature relays, kids will stay active as they explore the wonders of the deep blue sea through imagination and play.

TRI-LYMPICS

Let the games begin! Campers will compete in friendly, age-appropriate Olympic-style events focused on teamwork, sportsmanship, and movement. From relays to obstacle courses and fun fitness challenges, everyone is a winner in this action-packed celebration of active play!

STORYBOOK ADVENTURES

No storybook is complete without its adventure. Each day we will read a book and theme our activities around the stories of each character. Our imaginations will be running wild as we step into each page.

DINO DISCOVERY

Stomp back in time to the age of dinosaurs! Campers will dig, climb, and explore through prehistoric games, fossil hunts, and dino-sized challenges. With plenty of active play and hands-on discovery, this camp is a roaring good time for young explorers!

SUPERHERO TRAINING

Let us help you be the superhero you have always wanted to be. With creative, interactive games, we introduce fundamental movement skills to promote the superhero inside all of us. With creative challenges and fun activities, some might even say this camp is "Marvellous".
