TransAlta Tri Leisure Centre Selects New General Manager

October 22, 2019 (Spruce Grove, AB) – We are excited to announce that Lenny Richer is the new General Manager of the TransAlta Tri Leisure Centre (TLC). Richer is joining the leadership team at the TLC and brings with him a wealth of knowledge of recreation and facilities. Most recently, he was the Director of Parks, Recreation and Culture at Parkland County. Prior to that, Richer worked in recreation and facilities management for the Town of Slave Lake.

"Lenny will bring a collaborative style of leadership that will engage team members at the TLC and among our municipal partners," said Yvan Boutin, Chair of the GM Search Committee and Vice Chair of the Board of Directors.

"I am thrilled for this opportunity," said Richer, "I'm looking forward to joining a great team that has laid a fabulous foundation for recreation and wellness at the TLC and in the region. This area is home to me and my family and we're so glad to be here."

The TLC is owned by the municipalities of Parkland County, Spruce Grove and Stony Plain. It was built through this partnership as the premier recreation facility for the Tri-Municipal Region over 17 years ago.

The TLC has a Board of Directors that is appointed by the three municipalities. There are three elected officials and six public members. The board is responsible for strategic oversight and the General Manager is the only employee of the board. Richer will assume his duties on October 29, 2019.
