TRI LEISURE CENTRE POLICY MANUAL | Child Guidance

TLC Preschool believes that every child should be given the opportunity to play and learn through positive classroom experiences. Staff understand and encourage learning through both trial and error, and look to create a supportive, safe environment for the children to grow.

TLC Preschool's Child Guidance Policy has two rules for the children to build skills in empathy and conflict resolution:

1. If anyone is hurt, either physically or emotionally, the child closest to them must stop playing, take care of and stay with that person until they are ready to re-join the activity.
2. If two children have an argument or disagreement during an activity, they both must stop the activity until their conflict is peacefully settled (with the help from an instructor if necessary).

Staff will support the children through difficult situations by:

- Helping them calm down before dealing with the conflict. Staff may offer a drink, sensory material, or quiet time to help the child release their stress and feel comfortable to discuss the conflict.
- Listening to their description of the conflict.
- Supporting them in the decision-making process and encouraging them to give possible solutions.
- Ensuring they feel heard and comfortable with the results.
- Providing positive reinforcement when they display the desired behavior.

Biting, kicking, hitting, scratching or harming another child or staff member in any way will not be tolerated at the TLC Preschool. When a child is considered to be causing harm to themselves or another child or staff member, the incident will be documented and the parents of the children will be informed. If harmful behavior continues, the parent will be required to pick up their child immediately for that day, and an action plan to move forward will be created and documented by the Instructor and the Children and Youth Program Coordinator. If the child continues to be harmful to other children or staff members and no improvement is made, the parent may be asked by the Children and Youth Program Coordinator to withdraw the child from the TLC Preschool.

A staff member may not, under any circumstance:

- Inflict any form of physical punishment, verbal or physical degradation or emotional deprivation on a child.
- Deny or threaten to deny any necessity to a child.
- Use or permit the use of any form of physical restraint, confinement or isolation of a child.

THE SEESAW APP

Welcome to our online interactive classroom, SeeSaw. This multi-purpose app is a digital portfolio that give you real-time experiences into your child's day and invites families to keep in the loop about their children's classroom. The app provides a clear and direct pathway of communication between home and school so that parents never miss a beat.

The Seesaw platform adheres to a strict privacy policy that promises not to share or withhold anything placed on the app (web.seesaw.me/privacy/) or share any content with third parties. To ensure information is safe within your classroom, each parent will have access to only their child's work. In using Seesaw, our teachers take pictures of your child periodically throughout the year and share those pictures privately to your family account on Seesaw. Any images of your child will only be shared with the child's parents and classroom. We ask that families in the classroom not share any photos outside the group to third parties.

Nothing gets families more engaged with the classroom than seeing and hearing what their child is doing at school. Our goal is to keep families in the loop and engaged in your classroom through personalized, easy to use, safe and visual updates.

We as TLC adhere to the following:

- Any students we add to your classroom are current students in your class.
- We will use Seesaw for classroom purposes and not TLC promotions unless individual permission and photo release form are signed.
- We will treat Seesaw as an extension of the classroom and take reasonable steps to confirm that students and parents are using Seesaw appropriately.
- We will take reasonable measures to protect access to information contained in student journals and class journals.
- We will only invite parents or guardians or other trusted adults to view student journals.
- We will protect your class QR code so that access to student journals and class journals is limited only to students and parents, guardians, and other trusted adults.

I consent to have myself as the parent, and my child, as listed below, to participate in Seesaw with full understanding of TLC Active Preschool's terms of use and expectations.
